THICKENING AGENTS FOR AQUEOUS  
SYSTEMS

COMMUNICATION

This is a communication regarding an unsigned facsimile communication by "Dawn M. Anthony" filed in the United States Patent and Trademark Office (PTO) on 21 May 2003.

Counsel is reminded that 37 CFR 1.33 requires any paper filed in an application to be signed by all of the applicants, unless a registered attorney or agent has been appointed by the applicants. Because the communication has not been signed by the authorized agent/common representative, as required under 37 CFR 1.33, it will be placed in the application with no further action taken thereon.

The application is being returned to the United States Receiving Office for continued processing.
